

Metric 7.1.2 - The Institution has facilities and initiatives for

1. Alternate sources of energy and energy conservation measures
2. Management of the various types of degradable and non-degradable waste
3. Water conservation
4. Green campus initiatives
5. Disabled-friendly, barrier free environment

Clarification Asked-  Link to the policy documents of the institution  Geo tagged photographs and videos of the facilities with caption.  Bills for the purchase of equipments for the facilities created under this metric.  Photographs of Ramps/ rails/lift/wheel Chair/signage board /Toilet/ software etc.

Response-

- 1) Geotagged photos and Bills of alternate sources of energy and energy conservation measures are attached. **(Appendix-I)**
- 2) Geotagged photos and Bills of facilities for Waste Management are attached. **(Appendix-II)**
- 3) Geotagged photos and Bills of facilities created for Water conservation are attached. **(Appendix-III)**
- 4) Geotagged photos and Circulars for Green campus initiatives are attached. **(Appendix-IV)**
- 5) Geotagged photos and Circulars for disabled-friendly, barrier free environment are attached. **(Appendix-V)**

## **GREEN CAMPUS POLICY**

### **INTRODUCTION:**

The concept of green campus is an integration concept in the Education research and community service system in environmental management. Green campus is a combination of the environment and the campus world in its management. The concept of the environment which includes 3R (reduce, reuse, recycle), greening, in front of office, Extension Activity and so on are combined with the campus concept which consists of the physical condition of the campus, campus location and the behaviour of campus residents. Basically its a eco-friendly practice to make the campus a better place to live in.

### **OBJECTIVES OF GREEN CAMPUS CONCEPT:**

#### **The college pledges to :**

- The first step of the Go Green Programme involves establishing a viable Green-Campus Committee, within the organizational structure of the Institute.
- Hence, to give this initiative more clarity and authenticity, we now roll out a Policy document spelling out the strategies, plans and other allied tasks to make this Program functional officially.
- Greening the campus is all about sweeping away wasteful inefficiencies and using conventional sources of energies for its daily power needs, correct disposal handling, purchase of environment friendly supplies and effective recycling program.
- The Institute has to work out the time bound strategies to implement green campus initiatives. These strategies need to be incorporated into the institutional planning and budgeting processes with the aim of developing a clean and green campus.
- Our initiative will include working with students, faculty and support staff to foster a culture of self-sustainability and make the entire campus environmental friendly. The Green Campus Initiatives will enable us to develop the campus as a living laboratory for innovation.

### **LANDSCAPING INITIATIVE:**

- Our college has a scarcity of open land space hence plantation to be carried out will be done within the building area , all to be light weighted so that the college building does not bear additional potting weights.

### **CLEAN AIR INITIATIVE:**

- Our college pledges to reduce air pollution
- Maintain good green cover to enhance CO<sub>2</sub> sequestration from campus.
- No vehicle day in a month to be initiated.

## **WASTE MANAGEMENT PROCESSES:**

- This Policy underlines our commitment with regard to sustainable waste management. It outlines a set of agreed aims and deliverables for all aspects of sustainability, including recycling and waste management.
- The college adheres to the following principles of the waste management:
  - Prevent – avoid creating waste
  - Reduce – minimising the amount of waste produced
  - Reuse – repair, refurbish or relocate items
  - Recycle – promote segregation of waste to increase the quantity of waste recycled
  - Recovery – send non-recyclable waste to energy recovery
  - Disposal – this will only be used as a last resort if all other options are exhausted

### **Solid Waste Management :**

- Measures shall be taken for minimal or optimal use of papers: Instead of taking hard copies of documents, keep in digital format as far as possible.
- Strategies to lessen the generation of paper waste are adopted: double-sided printing, printing in reduced font size, printing in “fast draft” mode etc.
- e-billing is promoted to reduce use of paper.
- Use of paperclips (over staples) is encouraged.
- Reusing of envelopes with metal clasps and file folders by sticking a new label over the previous one is promoted.
- Colour coded dustbin system is employed for segregation of solid waste: green dustbins for biodegradable wastes like food; blue dustbins for disposal of plastic wrappers and non- biodegradable wastes.
- Composting of the bio-degradable waste.
- Cleaning or emptying of dustbins is ensured at regular intervals daily.
- Sanitary napkins are disposed in incinerators installed in the campus.

### **Liquid waste management : (Chemical Waste Management)**

- Implement Lab Pack Service: The lab pack disposal process involves first identifying, categorizing, and segregating each chemical by type (solvent, acid, or base), re-packaging them, then depositing the packaged chemicals into a drum or a tank. (Black bin)
- Academic strategies are taken to reduce the amount of chemical waste generated in the laboratories.
- Promote existing reuse schemes and develop additional recycling schemes to stream more waste at source.
- Communicate effectively with our employees, students, and residences to increase engagement and participation in the recycling initiatives across campus

### **E-waste Management :**

- Obsolete electronic devices are disposed through approved agencies.
- Purchasing of devices with increased life time is encouraged.
- The buyback policy of the retailers will be utilized to purchase new computers and batteries for out-dated computers and laptops.
- MoUs with relevant agencies are renewed time to time.

## POLICY FOR INCLUSION OF PEOPLE WITH DISABILITIES ON CAMPUS

### SCOPE

Promotion and inculcation of values of love, compassion, equality and justice through eliminating social exclusion and encouraging the students to be aware of the problems of the disadvantaged sections of society. Focusing on inclusion of people with disabilities by promoting the rights and dignity of each individual.

### OBJECTIVES

The objective of the policy is to ensure that Rajmal Puglia Institute of Management and Technology, becomes a disabled-friendly institution that is chosen by people with disabilities for its suitable infrastructure, facilities of support and sensitised atmosphere that can help them grow and achieve their dreams.

### POLICY

#### Inclusion and Anti-Discrimination

- Implementation of UGC Guidelines for Scheme of Equal Opportunity Centre for Colleges.
- Ensuring admission of students from all social milieus and their empowerment through intensive mentoring and counselling.
- Strict implementation of admission policies for people with disabilities in accordance with the updated guidelines for admission of the UGC.
- Smooth functioning and strengthening of The Equal Opportunity Cell to create an atmosphere of equality with special privileges for the disabled students.
- The roster of appointment of Teaching and Non-Teaching Staff for PwD category as approved by the University is followed by the college.

### Infrastructure support

Updating campus infrastructure to make it more accessible for people with disabilities.

- Elevators
- Ramps
- Railings
- Accessible washrooms for disabled students and staff
- Tactile pathways

Provision and upgradation of mechanical and technological support for people with disabilities.

- Reading resources in Braille
- Disabled-friendly software
- Wheelchairs
- Disabled-friendly sign posts

Provision of sports and wellness facilities suited to the needs of students with disabilities.

### Sensitisation and Awareness

- Organisation of awareness and sensitisation programmes and events for able-bodied staff and students to make the College a safe space for people with disabilities.
- Organisation of academic and cultural activities, training, short-term courses and workshops specially designed to cater to the needs of students with disabilities.
- Training the College staff in disabled-friendly teaching practices within and outside the classroom.
- Collaborations with external agencies and organisations to create more opportunities of learning and vocational training for students with disabilities.

### Counselling and additional support

- Provision of counselling facilities for mental health needs of people with disabilities.
- Conducting remedial classes for students with disabilities.
